As LG descendants and Hispanics, we deserve to preserve our culture and the contribution we have made to this society through our hard work. If not us, then who? If not now, then when? Below are some wise words from Vice President Joe Biden:

“No fundamental social change occurs merely because government acts. It's because civil society, the conscience of a country, begins to rise up and demand - demand - demand change.”

Don't forget to check the Alliance website for additional information: <http://www.rootsoftexas.com> for questions, please email: info@rootsoftexas.org

We look forward to seeing you October 22nd! Admission: \$10 per person at the door.....
