RE: Update from the Voice of Change Network

Below is the article:

The only way the Voice of Change Network can move forward is to require an affordable paid subscription network. It only makes sense to do this, without it the VoCN cannot continue. Without subscription, you can only read the free section. Subscribers are prohibited to copy/paste, print or share in any way. Information on how to subscribe is in the link below:

Thank you for your understanding.
Voice of Change Network

Due to the restrictions mention above BFO will be limited on what we can report for the VoCN. Please subscribe and become a VoCN member and do your part. Their work is of the outmost importance.

Please stay tune, stay safe, stay connected and let us know how *you can help*.
